Selkirk Lions Gas Fest

On August 7, 8 & 9 the Selkirk Lions Club will again be having their Annual Gas Fest in the Community Park in Selkirk to celebrate their local heritage in natural gas.

The weekend kicks off with a chicken and ribs barbeque prepared by the famous Strode's Big Sid's BBQ of Brantford. The "Walter Hoover Band" and silent auction round out a perfect evening in the park pavilion.

Saturday starts off with the very popular "Sweet Cheeks" baby contest in the pavilion followed by a calithumpian parade at noon. The afternoon is filled with food, music, vendors, car & bike show and shine, and of course the FREE inflatables for the kids – thanks to the efforts of the entire community. The local firefighters again sponsor a beach volleyball tournament..

After the sun goes down the dance begins and this year we welcome a new band "Decades." Crown and Anchor and food make it another perfect night.

A fitting conclusion to a very community focused event is the church service, again in the park pavilion at 7:00 pm. Bring a chair and enjoy the music of the "Sault Brothers."
